**Re: United States v. Noel Neff
Crim. No. 05-10184-GAO**

Dear Mr. Richardson:

Enclosed please find the Defendant's Notice Re: Automatic Disclosure. I may follow up with additional discovery requests, but in the interest of speeding the discovery process, I would like to request three specific items immediately:

1. A complete transcript of all instant message transcripts involving my client Noel Neff and any law enforcement personnel posing as a 14 year old boy named "Chris", including but not limited to FBI Special Agent David George. These communications are covered by Fed. R. Crim. P. 16(a)(1)(B)(i) and Local Rule 116.1(C)(1)(c) - Electronic Surveillance.
2. The substance of any oral statements made by the Defendant Noel Neff, before or after arrest, in response to interrogation by a person the defendant knew was a government agent, including but not limited to the substance of the statement(s) Mr. Neff gave to FBI Special Agent David George during his interrogation on July 9, 2005, in Franklin, Massachusetts. These statements are covered by Fed. R. Crim. P. 16(a)(1)(A).
3. A copy of all "search materials" as defined by Local Rule 116.1(C)(1)(b), including but not limited to an inventory of any items seized during the search of the defendant's home and his place of business.

Thank your for your attention to this matter.

Sincerely,

Chauncey B. Wood
